Latte Coffee

The exotic fruits brand

Frutti Mundo specialises in exotic fruit flavours. We offer a varied choice of sorbets and ice creams, nectars, and syrup-based-mixers. Our products are chosen for their great taste and nutritional properties. Frutti Mundo combines simplicity and superior quality, together with freshness and experience.

Our products are guaranteed to satisfy anyone who appreciates premium desserts and beverages.

We sell directly to consumers and supply restaurants and bars that wish to provide their customers distinctive drinks and frozen desserts (sorbets, ice creams, and soft ice).

Beverages/Drinks

Frutti Mundo nectars strike the right balance between fruit pulp and liquid refreshment. Our nectars are diverse, satisfying and fun. Try them all and decide which is your favourite.

Tamarind

Commonly used in Latin America and India, Tamarind is known for its invigorating slightly tart flavour when mixed with water. Tamarind drinks also contain fibres that promote good digestion and healthy intestinal flora. Frutti Mundo Tamarind drink is a must you ought to try.

Soursop

Soursop is a sweet and tangy fruit, commonly mixed with water in Latin America. Besides tasting great, Soursop is highly nutritious and rich in fibre content. Just try it and decide for yourself.

Guava

Pink Guava is amongst the most popular exotic fruits in Asia. Guava's natural sweetness and unmistakable aroma seduces even the most exigent palates. Thirst quenching and delicious, our Guava drink will leave a long lasting and agreeable impression in your mouth. Only for fruit lovers.

Latte Coffee & Mocha Coffee

Frutti Mundo chilled Coffee drinks are based on original recipes. Their distinctive flavours set them apart from typical cold coffee drinks. They will get you on your way, and keep you going!
